Disability-Inclusive Project Cycle Management

Regional Training Central/ Southeast Asia

Brief welcome session:
- 29 June, 10:00am-1:00pm, CEST

Five days of training:
- 30 June to 1 July, 7:30am-1:30pm, CEST
- 6 to 8 July, 7:30am-1:30pm, CEST

Please access the time converter here.

The training is conducted in English via Zoom. We will provide live captioning. Other reasonable accommodation adjustments will be available upon request. The training is free of charge.

The training primarily targets local partner and in-country staff at programmatic and technical level of German humanitarian organisations working in Central/ Southeast Asia.

Objective

Participants gain an understanding of the human rights-based approach to disability and inclusion in humanitarian action aligned, i.e. to the key principles and must-do-actions of the Inter-Agency Standing Committee (IASC) Guidelines on Inclusion of Persons with Disabilities in Humanitarian Action. Participants increase their capacity on programming that is inclusive of persons with disabilities throughout the humanitarian project cycle, i.e. assessment, planning and design, implementation, monitoring and evaluation phase. Lastly, participants identify possible entry points for change in their programmes and organisations.

Methodology

The training will include a mix of input presentations, group and scenario working sessions, plenary discussions, open knowledge and experience exchanges. Following the workshop, participants receive certificates, recordings and training materials.

Nomination/ Application

The German organisation nominates max. 2 in-country staff and max. 2 local partner staff and asks their nominees to submit their application through our project website, here.

Application is open: 10 - 28 May (6pm CEST)
